

Issaquah High School Baseball 2024 Sponsorship Opportunities

The Issaquah High School Baseball team is ready to get back on the field. The boys have been working hard in the offseason, and they have their eyes set on getting back to state this year.

The IHS Baseball program is once again offering local businesses the opportunity to be a Home Run Sponsor by purchasing an outfield advertising banner to be displayed during the high school season as well as during summer baseball games. This is a great chance for you to showcase your business while supporting Eagles baseball. Your banner will hang prominently along the Issaquah High School baseball fence, and all funds raised will go directly to support the high school baseball program.

Through your sponsorship, your business will gain advertising exposure from the IHS student-athletes and spectators as well as spectators from the many other programs that rent the field—there are over 150 games on this field in a typical year! This advertising opportunity is a great investment and gives you heightened recognition in our community as a supporter of the IHS program. The baseball field also serves as a gateway to the IHS campus creating even more visibility for your business.

Pricing remains the same as last year. Please see the following page for all the details. With your support, we will continue our goal of building a high school baseball program based on excellence!

All sponsorship commitments are due March 18, 2024. Thank you for your consideration. If you have any questions, please don't hesitate to reach out.
